An exquisite French 19th century Louis XVI st. ormolu and Imari porcelain centerpiece. The centerpiece is raised by a beautiful square ormolu base with concave corners and lovely arched shaped supports. Above a fine berried laurel band is the socle pedestal with a spiral fluted pattern. The most attractive Imari porcelain bowl displays most elegant colorful floral designs. The bowl is encased by striking Greek key patterned arms at each side with lovely and finely detailed berried laurel rings. A fine beaded ormolu band extends along the rim while the bowl is also finished on the inside. All original gilt throughout.
