A handsome and extremely elegant English 19th century Regency st. mahogany, kingwood and ormolu center table. The table is raised by a triangular shaped base with concave sides and richly chased ormolu paw feet with their original casters. The central support displays an impressive reeded design and baluster shape. Above is the beautiful circular mahogany top showcasing the exceptional mahogany grain with a fine wrap around kingwood band and a delicately carved reeded pattern at the border. All original gilt throughout.
