A spectacular French 19th century Louis XV st. giltwood and Aubergine Royal marble center table. The table is raised by most elegant cabriole legs with lovely scrolled feet and beautiful richly carved foliate designs leading up to impressive corner mounts. The intricately carved frieze is centered by a striking seashell reserve flanked by beautiful scrolled movements, large acanthus leaves and exceptional swaging foliate garlands all in a rich satin and burnished finish. Above is the original Aubergine Royal marble top with a fine mottled border. All original gilt throughout.
