A very chic and elegant 19th century red Japanese lacquer low serving table. Very much in keeping with the taste and style of entertaining during the Belle Époque period in Paris, this low table is raised on cabriole legs with a delicate arbalest apron. The table is decorated with gilt foliate, scrolled designs and borders on the apron, legs and top. The very decorative tray has a raised scrolled edge with black lacquer border and scenes with blossoming flowers, butterflies and birds. nVery unique style and function.
