A spectacular and large scaled French 19th century Louis XVI st. Blue John fluorite and ormolu three arm candelabra lamp. The lamp is raised by ormolu supports and an impressive 'D' shaped Blue John fluorite base decorated by a central ormolu rosette below a reeded band with an 'X' design. The tapered upper portion of the base is embellished by richly chased ormolu laurel garlands and a top bow. The three 'S' scrolled arms are decorated by scrolled acanthus leaves leading to the spiral fluted saucers under the fluted candle cups. Flanking the electrified arms are additional 'C' scrolled foliate arms that end with a Gallic Rooster, a national French emblem. Superb quality throughout.
