A stunning French 19th century Empire st. patinated bronze and ormolu vanity mirror. The mirror is raised on a Verte Patricia marble support with ormolu trim. Above is an ormolu base and socle supporting a patinated bronze column. A striking patinated bronze winged maiden is poised holding up the mirror above. At the top is an ormolu swivel attached to a circular beveled mirror. The mirror has a finely chased border and a lovely scrolled foliate top crown, centered by a female mask, flanked by swans and swords.
