A most elegant French 19th century Louis XV st. giltwood and Rouge Royale marble wall mounted console. The console is raised by beautiful scrolled legs with richly carved foliate movements, acanthus leaves and a fine lattice pattern. The legs are connected by a most impressive stretcher centered by a pierced floral carved reserve flanked by scrolled designs and charming detailed flowers. The scalloped shaped frieze also displays a wonderful pierced central floral reserve and elegant scrolled designs leading along each side in a rich satin and burnished finish. Above is the original Rouge Royale marble top with a fine mottled border.
