An elegant and high quality Baltic 19th century Neo-Classical st. Glass and Ormolu lantern. This stunning frosted and etched glass lantern displays a wonderful baluster shape and is centered at the bottom by a charming Ormolu finial. A delicate Ormolu plate accents the base of the bell shaped body, which is decorated with varying straight and twisted rope bands above and below a large scale Greek Key band. Above is a finely mottled Ormolu rim which connects the three decorative chains above via scrolled hooks. The three chains lead to the top crown which showcases three large scale pierced palmettes. All original gilt throughout.
