An impressive and high quality complete set of four French 19th century Louis XVI st. ormolu sconces. Each large scale three arm sconce is centered by a lovely foliate bottom finial with an elegant urn shape decorated with fine palmettes. Three beautiful scrolled movements lead upwards to beautiful richly chased maiden faces from where the arms branch out. Each elegantly scrolled arm is adorned with acanthus leaves, charming floral designs, floral reeded bobeches and foliate candle cups. Remarkable scrolled foliate designs lead up the back central futs to the mottled and hoop like tops adorned with fine acanthus leaves.
