A spectacular and very high quality complete set of four Italian 19th century Red Porphyry, Green Porphyry, Rosso Antico marble, and Lapis Lazuli skulls. Each very unique and extremely decorative skull is masterfully sculpted out of one solid piece of their respective marble/stone with exceptional attention to detail. The symbolism of the skull, although typically associated with death or danger in fact also symbolizes warning, wisdom, strength, and are even considered a sign of good luck in some cultures.
