A beautiful pair of French 19th century Louis XVI st. ormolu sconces. Each two arm sconce is centered by beautiful oak leaves and charming acorns below the elegant tapered central fut. The futs display most decorative pierced intertwined designs from which the arms branch out. Each arm is adorned with acanthus leaves, wonderfully executed tied swaging fabrics and displays foliate bobeches and fine fluted candle cups. Above, and at the center, are impressive urns of prosperity also adorned with flowing fabrics, richly chased foliate designs and lovely top acorn finals. All original gilt throughout.
