A unique and most elegant Continental 19th century Louis XVI st. giltwood, ormolu, and Brocatelle d'Espagne marble mirrored side table. The table is raised by fine circular tapered fluted feet below exceptional block reserves with fitted Brocatelle d'Espagne marble plaques and superb finely carved rosettes above. The three elegantly curved legs display most decorative carved overlapping fitted bands leading to additional striking fitted Brocatelle d'Espagne marble plaques below the lightly tapered circular fluted support with a mottled beaded band and richly carved foliate reserve. The octagonal shaped top displays a beautiful fluted design at the border with exceptional intricately detailed ormolu rosettes and retaining the original fitted mirrored top.
