A charming and most decorative French 18th century Louis XVI period patinated and giltwood mirror. The mirror displays a lovely provincial feel and retains its original mirror plate framed within an elegant mottled border with a fine reeded wrap around band. At each side of the base are lovely tapered feet with lattice patterns and gilt accents. The striking pierced top crown is centered by a beautiful bundle of wheat and a sickle, arrows, a quiver, and an exceptional most decorative blooming floral wreath with charming rosettes and scrolled designs. All original gilt and patina throughout.
