An elegant and high quality French 19th century Belle Epoque Period Crystal and Ormolu vase. The stunning vase is raised by a circular Ormolu base with swaging laurel garlands tied by bows above a reeded band and below an additional band of palmettes. The circular oblong tapered cut Crystal vase with diamond shapes is richly decorated by two 'S' scrolled swan handles.

The handles are flanked by foliate scrolls and joined at the center by a detailed floral garland on each side. The top rim is designed with the same reeded and palmette accented band.
