A sensational and extremely high quality French 19th century Belle Epoque period Greek Revival st. patinated Bronze, Ormolu and Vert de Patricia marble side table/pedestal attributed to F. Barbedienne. The pedestal is raised by circular mottled Ormolu supports below a woman's leg wearing a sandal tied at the top with a palmette style decoration. Two tapered stems lead to circular Ormolu scrolls with flowers. Above are the three female patinated Bronze monopodia busts wearing armor with their Ormolu hair in bands. The female busts flank foliate scrolled pierced sprays below the central fut with Ormolu fluted designs and additional palmettes. Above is the thick Vert de Patricia marble top.
