An attractive and most elegant French 19th century Belle Époque period Louis XVI st. commemorative plaque of Napoleon Bonaparte and Joséphine de Beauharnais. This wonderful circular Rouge Griotte marble plaque is decorated by a spiral fluted and beaded designed Ormolu band around the outer edge and a lattice patterned Ormolu band that frames the profiles of Napoleon and Josephine. Napoleon and Josephine both gaze out with focused expressions while Napoleon wears a berried laurel crown and Josephine wears a foliate designed tiara. All original gilding throughout.
