A delightful and high quality French 19th century Belle Epoque Period Louis XVI st. Onyx, Verde Antico Marble and Ormolu centerpiece. This stunning centerpiece is raised by four Ormolu half spheres elevating a square Verde Antico marble socle with sloped edges. Atop the socle is an Ormolu base displaying pierced torch and quiver designs, as well as berried laurel, beaded and pinwheel motifs. The golden honey Onyx bowl is held by a pair of Ormolu arms ending into charming winged cherubs, and centered by a female portrait on a background of ribboned laurel and tasseled drapery swags.
