A striking and most elegant French 19th century Belle Epoque Period Louis XVI st. Ormolu chandelier. The exceptional six arm six light chandelier is centered at the bottom by a charming berried finial below large scale downward scrolling acanthus leaves. Above is the urn shaped central fut which connects each of the six scrolled and twisted Rinceau shaped arms leading to richly chased foliate bobeches and candle cups. Lovely beaded chains surround the Ormolu central fut and both lead to the wonderful acanthus leaf designed top crown.
