A lovely and high quality French 19th century Belle Époque period Louis XVI st. patinated Bronze, Ormolu, and Rouge Griotte marble clock, signed Falconet. This stunning miniature timepiece is raised by a mottled edge circular Rouge Griotte marble base accented with a beaded Ormolu band. Atop the marble base is an Ormolu landscape with a patinated Bronze winged cherub on one leg standing above. This joyful cherub is tastefully designed with Ormolu hair and an Ormolu framed clock created to look like a drum, all while harmoniously playing the trumpet. The enameled dial of the clock that imitates a drum contains pierced Ormolu hands and swaging colorful foliate garlands between each hour numeral.
