A beautiful and most elegant French 19th century Belle Epoque period Onyx, Cloisonné and Ormolu centerpiece planter. This beautiful centerpiece is raised by three Ormolu 'C' scrolled acanthus leaf legs supported on hoof feet. Atop each leg is an Ormolu wing cherub dressed in flowing garments with their right arm held high. The three legs hold the circular Onyx body that is decorated by a socle shaped Cloisonné top band with stunning colorful foliate patterns. The interior bowl is removable and has a smooth consistent finish.
