A handsome and most elegant French 19th century Empire st. Mahogany, Leather and Gris St. Anne marble side/center/games table. This wonderful table is raised by Brass casters below three cylindrical Mahogany legs decorated with finely chased Ormolu rope twist designs at the base and capital, joined by a spiral stretcher centered with a circular Mahogany reserve. Above the legs is the thick apron supporting a fitted piece of Gris St. Anne marble flush with the Mahogany surround. The table comes with a removable lid which fits securely on the top. On one side of the lid is a tooled leather surface, while the other side presents a black felt game surface.
