An exceptional and most unique French 19th century Empire st. Mahogany, ormolu, and Vert de Patricia marble side table. The table is raised by handsome ormolu paw feet below a fine rosette and an elegant Mahogany bottom triangular tier with concave sides centered by superb pierced foliate ormolu mounts. Striking tapered legs lead upwards to stunning statement making swans with wonderfully attention to detail centering the scalloped shaped central Mahogany tier with an exceptional pieced heart shaped wrap around ormolu gallery. Above is the original circular Vert de Patricia marble top fitted within a lovely pierced heart shaped wrap around gallery.
