A handsome and high quality French 19th century Empire st. patinated bronze and ormolu chandelier. The three arm chandelier is centered by a beautiful richly chased bottom acorn finial amidst impressive scrolled foliate movements. Each arm displays finely detailed masks of bearded men amidst acanthus leaves and ormolu floral candle cups. Three scrolled foliate supports with fine pierced chains center the most decorative lightly curved body with a top urn shaped finial. Above is the lovely top crown with additional foliate designs and a decorative mottled band.
