A handsome French 19th century Empire st. patinated, Verdigris Bronze and Slate console. This impressive six leg console is raised by three maiden caryatids with lion's paw feet in the front and three pierced legs in the rear. All six legs are supported on blocks and have 'X' stretchers connecting each leg to its adjacent, leaving the two front spaces open. The two stretches in the rear have central reserves on the cross of a gilt Bronze diamond. The rectangular top is made of patinated Bronze with a gallery around three sides leaving the front open and the back accented with a gilt star. Fitted inside the top is a wonderful piece of Slate.
