An impressive and high quality French 19th century Empire st. White Onyx and Ormolu centerpiece. This beautiful centerpiece/tazza is raised on a square Onyx base wrapped with a berried laurel band and supported on an Ormolu plate with pawed feet. The mottled edge socle above is supporting the circular Onyx body above. The body is tastefully decorated by a pair of handles on each side that are designed with reeded and scrolling patterns. The spacious interior contains mottled edges and an Ormolu central reserve.
