An impressive large scale French 19th century Louis Philippe period ormolu eight arm chandelier. The chandelier is centered by a bottom inverted finial with a mottled and foliate design. Below each arm are striking and finely detailed handsome faces of bearded men amidst beautiful leaves. Each arm displays an elegant scrolled design with a central palmette and fine fluted candle cups in a rich satin and burnished finish. The eight chains are attached to an elegant scrolled support with an exceptional twisted and foliate design. All centered by a superb large lidded urn. The urn displays additional wonderfully executed bearded men amidst richly chased leaves and branches which are repeated at the striking top crown.
