A stunning and most elegant French 19th century Louis XV st. Belle Époque period Kingwood, Tulipwood, Ormolu, and white Carrara marble side table, attributed to Francois Linke. This stunning side table is raised by four cabriole legs that are decorated with scrolling acanthus leaves and floral Ormolu top caps, a reeded patterned Ormolu spine, and supported on wrap around foliate decorated Ormolu hoof sabots. All four aprons contain a mottled Ormolu band below a rectangular panel decorated by a spiraling ribbon designed Ormolu band around the edge. Within each Tulipwood and Kingwood panel is a central reserve of a female bust flanked by bouquets of flowers and foliate decorations. The impressive circular top contains a fitted white Carrara marble top that is surrounded by a reeded designed Ormolu band with a fine gallery.
