A most elegant French 19th century Louis XV st. giltwood and marble side/center table. The beautiful scalloped shape table is raised by slender cabriole legs with fine scrolled feet. Each leg is connected by a striking X shaped stretcher with a lovely scrolled and mottled design, centered by an acorn final and a delicate floral reserve. At the top of each leg are charming floral carvings centering a richly carved seashell and scrolled foliate reserve at the scalloped shaped frieze. The sides are also centered by elegant and finely carved foliate movements. Above is the original salmon colored onyx top with a mottled border, which follows the contours of the lovely shape of the table.
