An exceptional and high quality French 19th century Louis XV st. Giltwood mirror. The original beveled mirror plate is framed within an elegant curved border with two scrolled foliate bottom feet centering a finely carved reserve.

Running along the side throughout is a tied reeded design adorned with beautiful and finely detailed foliate movements in a satin and burnished finish. The stunning pierced top crown is centered by a foliate reserve and surrounded by scrolled movements with a fluted pattern. The bevel of the original mirror plate follows the beautifully shaped contours of the frame.
