An elegant and high quality French 19th century Louis XV st. Kingwood, ormolu and Brèche d'Alep side table. The one drawer rectangular side table is raised by slender cabriole legs with fine fitted foliate ormolu sabots with beautiful mottled chutes leading to superb foliate corner mounts. Each leg is connected by a most decorative bottom tier with concave sides with a beautiful quarter veneered design framed within an elegant mottled ormolu border. The scalloped frieze displays one drawer centered by a striking richly chased reeded scrolled foliate ormolu pull in an outstanding satin and burnished finish. Above is the original Brèche d'Alep marble top with a fine mottled border.
