A charming French 19th century Louis XV st. kingwood, tulipwood and ormolu side table. The table is raised by elegant slender tapered cabriole legs with fine fitted ormolu sabots. The scalloped shaped frieze displays one drawer with beautiful intricately inlaid floral marquetry and a central ormolu keyhole escutcheon. The sides and back are decorated in the same manner.

Above are additional charming inlaid floral and foliate designs set on a quarter veneered background and framed within a fine kingwood border with most decorative curved sides.
