An elegant French 19th century Louis XV st. Kingwood, Tulipwood and ormolu writing desk. The desk is raised by slender cabriole legs with fine wrap around foliate ormolu sabots with striking chutes leading up each leg to superb richly chased foliate corner mounts in a beautiful satin and burnished finish. The scalloped frieze displays three faux drawers at the front and the back each displaying finely detailed foliate ormolu keyhole escutcheons with the front displaying a charming pullout with pierced foliate ormolu pulls and retaining its original gold tooled leather writing surface. The sides each display one drawer with a beautiful scrolled foliate ormolu pull set on a remarkable and most decorative butterfly veneered background showcasing the beautiful wood grain. Above is the original gold tooled fitted leather writing surface framed within an elegant mottled wrap around ormolu gallery.
