A striking French 19th century Louis XV st. Napoleon III period exotic wood marquetry and ormolu center table. The table is raised by elegant cabriole legs with beautiful pierced wrap around foliate ormolu sabots and a fine fillet which extends up each leg, to richly chased floral corner ormolu mounts. The scalloped shaped frieze displays one drawer and each side is decorated with stunning and exceptionally executed floral marquetry. Above is additional intricately detailed marquetry framed within an outstanding foliate ormolu wrap around gallery.
