An impressive and high quality French 19th century Louis XV st. Ormolu and Baccarat crystal chandelier. The ten light, six arm chandelier is centered by a bottom foliate finial below the scrolled arms which are decorated with acanthus leaves. In between the arms are elegant beaded crystal lattice designs with rosettes in the center amidst hanging water drop crystals on the arms. The arms lead to foliate sprays below the candle cups and with each arm flanking two scrolls which are joined by rare faceted oval crystals fitted within a foliate Ormolu frame. The arms lead to more hanging water drop crystals, with the top crown elaborately decorated with shell like crystals.
