A high quality and intricately detailed French 19th century Louis XV st. Ormolu and etched Glass centerpiece. This exquisite four arm candelabra centerpiece is raised on four 'C' scrolled legs each supporting the arm above. Each 'C' scrolled arm is designed with acanthus leaves and finished with a foliate decorated candle cup. The etched glass bowl is framed within reeded Ormolu bands along the top and bottom edge with an additional beaded band along the top. The tapered etched glass bowl is beautifully decorated by Rocaille designs with various animals such as foxes and deer in their wooded environments.
