An impressive and large scaled French 19th century Louis XV st. Ormolu, rock crystal and Baccarat crystal chandelier. The eighteen light chandelier with two different levels of lights has a top canopy with wonderfully decorative twisted rope and tassel designs. The central fut continues down with a pulled cloth rope design and 'C' scrolls decorated with clear crystals. The 'S' scrolled arms with twisted ribbon and foliage designs lead to fanciful foliate saucers with hanging crystals and foliate candle cups. The lower and wider level of arms have large and high quality kite shaped rock crystals pendants. The bottom is finished with a foliate scrolled design, bottom finial, and a rock crystal ball.
