An extremely elegant and high quality French 19th century Louis XV st. tulipwood, kingwood and ormolu side table. The table is raised by slender cabriole legs with richly chased wrap around ormolu sabots and striking ormolu fillets which extend up each leg, to the fine corner mounts, and along the arbalest frieze. Wonderfully executed floral marquetry displayed over two drawers, sans traverse (without crossbar), showcasing the high level of craftsmanship. Above is one pull out with an ormolu pull and a gold tooled leather writing surface. At the right side is one additional drawer with an ormolu pull decorated with additional finely detailed floral marquetry. At the top is a beautiful inlaid urn with striking flowers and foliate movements set on a beautiful quarter veneered background and framed within an ormolu gallery. All original warm patina throughout.
