A spectacular and palatially scaled French 19th century Louis XVI st. Baccarat Crystal and Ormolu chandelier. The forty-eight light chandelier displays a stunning Crystal central fut from where the 'S' scrolled arms branch out and split into three levels of electrified arms balancing the proportions of the chandelier. Each arm is adorned with an abundance of Ormolu foliage, Crystal pendants, and hibiscus and sunflower like Crystal flowers. The exceptional Crystal encased fut leads up to two upper levels of 'C' scrolled sprays showcasing striking foliate branches and various Crystal flowers. Above is the stunning top crown which is decorated in the same manner. Incredible quality and elegance with all original gilding throughout.
