An elegant and uniquely shaped French 19th century Louis XVI st. Belle Époque period crystal and ormolu vase. The vase is raised by a fine wrap around mottled ormolu band with a fine berried laurel design. The most decorative crystal body is encased with charming swaging berried laurel garlands tied at the center and displays a beautiful pierced wrap around band with lovely circular geometric designs. Above is an oval pierced ormolu reserve with a wonderful lattice design framed within a beaded band and exceptional berried laurel branches leading to the fine reeded and pierced foliate rim.
