---

A sensational and most unique French 19th century Louis XVI st. Belle Époque period ormolu and Baccarat crystal birdcage shaped chandelier. The charming eight arm twelve light chandelier is centered by a beautiful bottom tulip shaped Baccarat crystal pendant amidst lovely circular and teardrop pendants. Four elegantly scrolled supports lead up to four pairs of arms with richly chased rams heads and foliate candle cups; four additional light bulbs wrapped in a fine beaded case center the impressive and wonderfully executed "panier" or ormolu woven basket. Luxuriant and finely detailed ormolu leaves seemingly grow around the cage with superb floral accents. Above is the domed greenhouse shaped top with a lovely beaded lattice design and crystal rosettes.
