A most elegant French 19th century Louis XVI st. Belle Époque period ormolu and Baccarat crystal centerpiece. The centerpiece is raised by a circular base with three protruding reserves decorated with beautiful finely detailed mottled wrap around foliate, reeded and beaded bands, and luxuriant scrolled elements. At the center are three charming ormolu cherubs each draped in a fine flowing fabric with one carrying a basket full of ripe fruit and blooming flowers, another holding a vessel, and the other a cup. Above is the remarkable circular Baccarat crystal dish with exceptional cut floral designs at the border and beautiful fluted star burst like cuts all centered and affixed by an outstanding ormolu floral finial. All original gilt throughout.
