A most elegant French 19th century Louis XVI st. Belle Époque period ormolu and Rouge marble centerpiece. The centerpiece is raised by a unique and extremely decorative square base with recessed sides and finely detailed scrolled foliate ormolu feet. At the center is the stepped mottled socle shaped ormolu pedestal support leading up to the circular marble bowl with an exceptional wrap around mottled design. The bowl displays beautiful scrolled foliate handles at each side and a lovely pierced wrap around ormolu band at the top rim. The bowl is also finished on the inside.
