A most elegant French 19th century Louis XVI st. patinated bronze and ormolu statue of a beautiful maiden, attributed to Pierre Louis Detrier. The statue is raised by a lovely scalloped shaped base with a mottled border where the beautiful lady stands. The maiden is draped in a wonderfully executed patinated bronze flowing garment and holds her hand to her neck. The beautiful maiden is leaning on an elegant circular fluted column with finely detailed ormolu swaging floral garlands and two charming love birds at the base.
