---

A most impressive and large scaled French mid 19th century Louis XVI st. patinated bronze and ormolu statue of a pheasant and fox, signed by A. Dubucand. The finely detailed bronze is raised by a mottled ormolu oval base. The imposing open winged pheasant is standing proudly on a rocky surface covered by foliate vines. The pheasant is possibly unaware that an awaiting fox is hiding underneath the rocks. Wonderful proportions and all original warm and rich patina throughout.
