A most elegant and large scale French 19th century Louis XVI st. Vert Campan marble and ormolu lamp. The lamp is raised by a fine square ormolu base with concave corners and a decorative etched recessed front panel. At the center is the elegant socle shaped pedestal decorated with a lovely wrap around ormolu band with a twisted rope design and a beaded ormolu band.

The solid Vert Campan marble urn shaped body is encased with a richly chased and wonderfully executed pierced foliate and floral ormolu mount while at each side are striking and finely detailed serpent designed scrolled handles connected by luxuriant swaging floral garlands tied with a charming bow at the center. The lightly curved neck displays a fine wrap around twisted rope designed decorative ormolu fillet.
