A striking French 19th century Louis XVI st. cobalt blue Sèvres porcelain and ormolu centerpiece. The centerpiece is raised by a square base with handsome paw feet and palmettes with a lovely foliate wrap around band. The porcelain socle pedestal displays a fine ormolu mottled top cap which leads to the elegantly shaped body above. At each side are richly chased bearded satyrs below lovely acanthus leaf scrolled handles. A mottled ormolu band extends along the rim and is decorated with pierced foliate designs with finely detailed masks. Also finished on the inside which is centered by an elegant rosette.
