A most elegant and high quality French 19th century Louis XVI st. Crystal and Ormolu chandelier. This exquisite nine arm nine light chandelier is centered by a Crystal sphere bottom finial accented by smaller scale spheres and rosette cut pendants. The bottom finial hangs from a topie shaped Ormolu mount below the Crystal bowl. The frosted Crystal bowl above is decorated with clear patterned sections and has an arbalest style movement along the upper rim. The wonderful Crystal bowl is fitted with an Ormolu band just below the upper rim which presents the three sets of three scrolling arms. Each set of three scrolling arms are decorated with beaded and scrolling foliate patterns while displaying an array of tear drop and prism cut Crystals hanging below each bobèche. The top crown is adorned with a topie shaped bottom finial below the lily pad shaped downward curving frosted Crystal crown which also has clear sections of linear and clover designs.
