A very attractive French 19th century Louis XVI st. Crystal and Ormolu lamp.
This exquisite urn mounted into a lamp is raised by a square base with a foliate decorated socle shaped pedestal above. The socle supports the wonderfully cut Crystal baluster shaped urn with an Oxblood red colored body. The urn is flanked by extended Ormolu handles ornamented with a satyr and a foliate berried headdress. At the top is a richly chased Ormolu border and top cap. All original gilt throughout.
