A charming and most elegant French 19th century Louis XVI st. crystal and ormolu vase. The beautiful uniquely shaped vase is raised by lightly curved ormolu supports with fine scrolled feet adorned with acanthus leaves and connected by lovely swaging garlands with blooming flowers centering a bottom inverted acorn finial. The four supports lead upwards encasing the exceptional etched crystal body with richly chased swaging floral garlands tied with a ribbon, charming acanthus leaves, and a fine tied ribbon wreath at the center. The rim above displays a mottled design with finely detailed palmettes and additional swaging floral garlands.
