A stunning and high quality French 19th century Louis XVI st. enameled Bronze, silvered Bronze, Onyx, and Ormolu garniture set. This most elegant three piece set is raised on square Onyx bases, with the centerpiece showcasing an Ormolu fluted and foliate band below the Onyx pedestal.

Richly chased foliate Ormolu bands wrap around the bottom of each enameled Bronze vase and centerpiece and lead up to additional foliate bands. The bodies of each piece are elaborately decorated on the front with charming silvered Bronze foliage and flowers. Each vase displays an elegant mask of a maiden below its neck, which are flanked by scrolled architectural handles finished with topie shaped finials. The centerpiece showcases stunning large scale handles with female masks connected to the dentil patterned rim. Above is the smooth finished patinated black interior of the centerpiece.
